NO CLASSES May 22nd, May 23rd, May 24th and May 31st

* PHOTOS will be taken at the **DANCE STUDIO** by Robert Caldwell Photography. Please arrive at the studio 10 minutes BEFORE your scheduled appointment time. INDIVIDUAL pictures are taken FIRST followed by the GROUP PHOTO so that latecomers won't miss the class photo. PLEASE arrive on time, and bring your child for his/her class photo even if you don't intend to buy pictures. Since costumes are delicate and seams come apart easily, please bring your costume with you on a HANGER and change into it at the studio. Hair and makeup can be done ahead of time at home.

* ALL PHOTOS MUST BE PAID IN FULL AT THE SITTING. Cash or checks are accepted. Checks should be made out to "Robert Caldwell." You may arrange with Mr. Caldwell's assistant to write out 1 check for multiple classes. We ask that you please DO NOT BRING YOUR OWN CAMERAS to the photo session. **Photos can be picked up at the DANCE STUDIO Wednesday June 30th between 9:30 AM & 8:00 PM.** If this time is not convenient, please come in during any open store hours. *(Do not make any photography checks payable to Performing Arts.)*

A LITTLE MAKE-UP is all your child will need for photos. A little MORE is acceptable for the stage. The teacher will let you know about hairstyle. We'll decide how headpieces should be worn; (what side etc.) during photos. We can pin accessories, straps etc. for photos, but please do all permanent attachments for the stage performances.

* KEY VIDEO PRODUCTIONS will be videotaping our matinee & evening shows as well as taping ALL SOLOS & DUETS during both evening performances. **(Parents may videotape DRESS REHEARSAL ONLY.)** DVD's will be sold this year as individual performances at the reduced rate of \$30 including tax & shipping directly to your house. DVD order forms will be made available soon and must be paid for at the time of order. All checks should be made out to "Key Video."

* TICKET SALES begin on SATURDAY MAY 15TH @ 3PM. We have reserved seating. Matinee families will get 5 tickets & can purchase 1 extra @ \$10 on May 15th. Evening families will get 4 & can purchase up to 3 extra @ \$12 on May 15th. Families with kids in both evening & matinee performances will get 5 tickets of your choice and will be able to purchase 4 extra on May 15th. After May 20th you may purchase additional tickets, as everyone should already have their first tickets.
