And a Happy New Year in 2010!

JOY

Costume measuring begins later this week. Your director (Miss Sue) has had a 79" tape measure manufactured to help with the girth measurement of taller/larger students. This has been a frustration of mine for years as most tape measures are only 60" long, and taller students measure up to almost 70" in torso length. I was sure if I was having issues, so were thousands of other dance teachers across the country during costume measuring season.

I called the product the "Greater Girth" and it has recently received national recognition in several Dance Teacher Magazines. So along with our nationally recognized Store Design in "Dance Retailer News" Magazine back in July 2009, we are **AGAIN** in the national spotlight!!

Go Performing Arts and Studio B!!!

Winter Weather will soon be upon us. Students, remember to remove your boots before entering the lounge area upstairs. Boot racks are available under the coat rack for you to use each time you enter the second floor.

We will decide by 3 PM week-days and 8 AM Saturday mornings to close if we feel the driving for parents is dangerous. Call the studio at 649-5000 for information or Watch **Closing Central** on Channel 2.

COSTUME DEPOSITS

Please get your Costume Deposits in by the 9th of January (\$45 per costume) **All classes (except) Wednesdays Hip Hop & Thursdays Pointe & Tech classes** will need a deposit.

NOT COMPLETING THE DANCE YEAR ?

Please tell us NOW if your child is undecided about finishing out the year. If there is any doubt, let us know **ASAP** so that we can take them off the class roster. This way I won't order them a costume unnecessarily which you will be responsible to pay for.

Any student who returns after the Christmas break will be presumed to be participating in the June recital and will have costumes ordered for them.
