

## Tuition and Payments 2021-2022

All tuition payments will be made via our online customer portal. A credit/debit card will be required when registering for classes. This card will be used for secure automatic monthly tuition payments, as well as payment of registration fees, recital fees, costumes, and competition fees if applicable. Payments will be deducted by Performing Arts on the first of the month starting September 1, 2021. Please give 14 days' notice should your child decide to drop/add a class or discontinue the program altogether. If your child discontinues the program after costumes are ordered, you will be responsible for the full cost. Tuition is based on a yearly fee and is divided into nine equal payments. All nine billing months (September through May) are full payment months regardless of holiday recesses or the number of classes in the month. Should Performing Arts need to transition to virtual classes due to changes in NYS COVID guidelines, tuition rates will remain the same.
